Meanwhile, without written agreement, no one will be allowed to make a mirror on servers other than Lihua International's. Any infringement on the above-mentioned rights may lead to civil, administrative or criminal liabilities. The contents on this website contained forward-looking statements as defined by the Private Securities Litigation Reform Act of 1995. Forward-looking statements include statements concerning plans, objectives, goals, strategies, future events, performance and results of operations, and underlying assumptions and reserves, capacity, production, efficiency, copper wire industry development, industrial growth, or other trends, and other statements that are other than statements of historical facts. These statements are subject to uncertainties and risks including, but not limited to, product and service demand and acceptance, changes in technology, economic conditions, the impact of competition and pricing, government regulation, and other risks contained in statements filed from time to time with the Securities and Exchange Commission. All such forward-looking statements, whether written or oral, and whether made by or on behalf of the company, are expressly qualified by the cautionary statements and any other cautionary statements which may accompany the forward-looking statements. In addition, the company disclaims any obligation to update any forward-looking statements to reflect events or circumstances after the date hereof.
